# **CPP50611 Diploma of Security and Risk Management**

Course is suitable for students looking for professional progress in their career. This qualification may be suitable for new entrants to the security industry with a background in supervision or management and members of the security industry who have commenced a management role within their organisation, or existing supervisors and managers who have been identified for promotion for a management position. Experienced managers within the security and risk management sector may choose to formalise their experience by attaining this qualification. Clients who may enrol include:

- Candidates undertaking professional development
- Candidates undertaking professional development to join the police service, military or corrections
- Candidates with managerial experience upgrading skills
- Candidates with managerial experience formalising skills
- Candidates with managerial experience seeking to specialise in Risk Management
- New entrants to the security industry with previous management experience
- Current industry specialists in allied fields i.e. military, police, corrections
- Former military personnel
- Former police personnel

## **Language Literacy and Numeracy**

Candidates should be able to read and write English at approximately a grade 12 level. Reasonable computer skills and access to email and internet are strongly recommended.

### **Pre-requisites**

There are no pre-requisites for this qualification. However to be eligible to enrol in this training program, participants must be over 18 years of age.

### **Delivery Method – 1 Distance Study / Self Paced**

The program is self-paced over a period of Twelve (12) months with an option for an extension. Candidates are encouraged to complete the entire program within the recommended Twelve (12) month timeframe. Candidates may discuss completing this program in less time with their Vigil facilitator or staff member. Fee for this program is \$1995. Fee can be paid in two instalments.

### **Delivery Method – 2 RPL**

Recognition of prior learning means recognition of competencies currently held, regardless of how, when or where the learning occurred. These competencies may be attained through any combination of formal or informal training and education, work experience or general life experience.

Recognition of prior learning is available to candidates who have enough industry experience. Candidates with managerial experience seeking to specialise in Risk Management, security personals with previous management experience, current industry specialists in allied fields i.e. military, police, corrections.

In order to grant RPL, the assessor must be confident that the candidate is currently competent against the endorsed industry or enterprise competency standards or outcomes, specified in Australian Qualifications Framework accredited courses.

Candidate could provide evidences in variety of forms that include certification, references from past employers, testimonials from clients and work samples.

The fee for RPL process is \$1295.

Where the candidate is not able to achieve the full qualification through RPL and gap training is required, a training plan and costing structure will be mutually agreed upon. The basis of the cost structure will be pro-rata on a unit by unit basis based on the scheduled course fee.

For further discussion contact VIGIL staff.
